L O N D O N L O U N G E

The expressive use of molded plywood with formed cushioning punctuates the modernness of London Lounge. Designed exclusively for OFS by Radar of London, UK, it is lounge furniture intriguing in design and necessary in comfort. A minimalist approach in materials usage, an explosive use of geometric shape, and the stability of heavyweight chrome bring classic appeal typified in modern era designs of the past.

Shown in Conneaut Leather Pure White custom color in Toffee Maple on Maple finish with optional Table Lamp and Arm Caps.
